Title

Judicial Branch: Court Innovations Grant Program Award Recommendations (Action Required)

Summary

After reviewing 118 grant applications from 42 trial and appellate courts that participated in the Court Innovations Grant Program, the Judicial Branch Budget Committee recommends awarding 53 grants totaling \$23.5 million to 29 courts involving 39 jurisdictions. These grants will fund exciting advancements testing new approaches for making courts more accessible, easier to use, less costly, and better able to facilitate positive outcomes. In accordance with category limitations contained in the Budget Act of 2016, \$11.3 million will be allocated to collaborative court programs; \$7.5 million to self-help, family and juvenile court programs; \$4.7 million to other efficiencies across all types of court programs, and \$625,000 to the Judicial Council for grant program administration. Additionally, three to four percent of the funding in each category will be retained as a contingency for unforeseen costs courts encounter over the three-year grant period. The grant period begins June 1, 2017, and ends June 30, 2020.
