Executive Summary

As outlined in the California Rules of Court, rule 10.11, the Executive and Planning Committee oversees the Judicial Council's meeting process and operating procedures, including agenda setting for council meetings, development of the council's long-range strategic plan for the judicial branch, and development of policies and procedures related to court facilities and communications with the branch. The committee is also charged with directing the nominations process for vacancies on the council and its advisory bodies and overseeing specific advisory bodies. This report summarizes the committee's activities since the last Judicial Council internal committee presentation during the council's May 15 business meeting.

Agenda Setting and Other Business

Since the May 15 Judicial Council business meeting, the committee met once by conference call on June 25 to set the agenda for the council's July 24 business meeting. The committee also reviewed and confirmed a request from the Superior Court of San Benito County for a fractional increase in the workload allocation of a subordinate judicial officer position, restoring the time base associated with one court commissioner position from 0.3 full-time equivalent (FTE) to 0.5 FTE.
