IMPACT OF FUNDING REDUCTION

Court had to “operationalize” the funding reduction by:

- * Do not accept phone calls. Assistance provided by email or by mail.
- * Reduced public counter hours.
- * Extended appearance dates for infraction appearances 90 days out from the date a citation to give the public additional time to get assistance.
- * Eliminated court reporters in civil courtrooms. Only criminal/infraction calendars have court reporters.
- * Inability to fill the two staff vacancies.
