Trial Court Budget Advisory Committee Fiscal Planning Subcommittee Hon. Jonathan B. Conklin, Chair	Oksana Tuk, 916-643-8027 oksana.tuk@jud.ca.gov

Executive Summary

The Fiscal Planning Subcommittee of the Trial Court Budget Advisory Committee recommends approving a request from the Solano Superior Court to continue receiving children's waiting room funds during the unforeseen temporary closure of its children's waiting room in response to the state of emergency related to the COVID-19 pandemic. By continuing to receive funding, the court would have sufficient resources to provide a safe and healthy waiting room setting for children when the court can safely reopen.

Recommendation

Based on the action taken at its meeting on April 22, 2021, the Fiscal Planning Subcommittee of the Trial Court Budget Advisory Committee recommends that the Judicial Council approve the continued distribution of children's waiting room funds to the Solano Superior Court to support operation of its children's waiting room upon reopening.

Relevant Previous Council Action

The Judicial Council first adopted a policy and procedure on court requests for children’s waiting room (CWR) distributions under Government Code section 70640 at its business meeting on June 27, 2014.¹ The council has since adopted various revisions to the policy, including clarification on when distributions may be requested in advance of a CWR planned opening and when distributions will end for temporary or permanent closures.²

The Judicial Council’s *Children’s Waiting Room Distribution and Fund Balance Policy* was last revised by the council at its business meeting on July 24, 2020,³ authorizing the Fiscal Planning Subcommittee to make recommendations directly to the council on courts’ requests.

Analysis/Rationale

Government Code section 70640 states, “It is the policy of the state that each court shall endeavor to provide a children’s waiting room in each courthouse for children whose parents or guardians are attending a court hearing as a litigant, witness, or for other court purposes.” As of January 1, 2006, a court may apply to the Judicial Council for a CWR distribution of between \$2 and \$5, inclusive, from each applicable filing fee (Attachment A). CWR distributions to trial courts from first paper filing fee revenues deposited into the Trial Court Trust Fund can be spent only on costs associated with operating a CWR.

Standard 10.24 of the California Standards of Judicial Administration states that “[e]ach court should endeavor to provide a children’s waiting room located in the courthouse for the use of minors under the age of 16 who are present on court premises as participants or who accompany persons who are participants in court proceedings”; that “[t]he waiting room should be supervised and open during normal court hours”; and that “[i]f a court does not have sufficient space in the courthouse for a children’s waiting room, the court should create the necessary space when court facilities are reorganized or remodeled or when new facilities are constructed.”

The approval of this request is consistent with Government Code section 70640 and standard 10.24 and would allow the Solano Superior Court to retain sufficient funding to reopen and operate its CWR when it is deemed safe to do so.

The request by the Solano Superior Court for a continued CWR distribution is provided in Attachment B.

Attachment C provides the total distributions for 2016–17, 2017–18, 2018–19, and 2019–20 for the 18 courts that received CWR distributions as of 2019–20.

Attachment D provides the distribution from the First Paper General Civil Unlimited Uniform Filing Fee (Government Code section 70611) in Solano County. There is no change in the distribution for this request because the court is already receiving a CWR distribution.

Fiscal and Operational Impacts

Approving the request from the Solano Superior Court for a continued CWR distribution would reduce the total amount of uniform, first paper civil filing fee revenues that would otherwise support all courts' Trial Court Trust Fund base allocations for court operations by approximately \$49,000.

Government Code Section 70640

(a) It is the policy of the state that each court shall endeavor to provide a children's waiting room in each courthouse for children whose parents or guardians are attending a court hearing as a litigant, witness, or for other court purposes as determined by the court. To defray that expense, monthly allocations for children's waiting rooms shall be added to the monthly apportionment under subdivision (a) of Section 68085 for each court where a children's waiting room has been established or where the court has elected to establish that service.

(b) The amount allocated to each court under this section shall be equal to the following: for each first paper filing fee as provided under Section 70611, 70612, 70613, 70614, or 70670, and each first paper or petition filing fee in a probate matter as provided under Section 70650, 70651, 70652, 70653, 70654, 70655, 70656, or 70658, the same amount as was required to be collected as of December 31, 2005, to the Children's Waiting Room Fund under former Section 26826.3 in the county in which the court is located when a fee was collected for the filing of a first paper in a civil action under former Section 26820.4.

(c) Notwithstanding any other provision of law, the court may make expenditures from these allocations in payment of any cost, excluding capital outlay, related to the establishment and maintenance of the children's waiting room, including personnel, heat, light, telephone, security, rental of space, furnishings, toys, books, or any other item in connection with the operation of a children's waiting room.

(d) If, as of January 1, 2006, there is a Children's Waiting Room Fund in the county treasury established under former Section 26826.3, the county immediately shall transfer the moneys in that fund to the court's operations fund as a restricted fund. By February 15, 2006, the county shall provide an accounting of the fund to the Administrative Office of the Courts.

(e) After January 1, 2006, the court may apply to the Judicial Council for an adjustment of the amount distributed to the fund for each uniform filing fee. A court that wishes to establish a children's waiting room, and does not yet have a distribution under this section, may apply to the Judicial Council for a distribution. Applications under this subdivision shall be made according to trial court financial policies and procedures authorized by the Judicial Council under subdivision (a) of Section 77206. Adjustments and new distributions shall be effective January 1 or July 1 of any year beginning January 1, 2006.

(f) The distribution to a court under this section per each filing fee shall be not less than two dollars (\$2) and not more than five dollars (\$5).

(Amended by Stats. 2007, Ch. 130, Sec. 135. Effective January 1, 2008.)

Re: Notification of Temporary Closure of Children's Waiting Room
Request for Funding Continuation

Dear Mr. Wordlaw:

The Superior Court of Solano County is providing formal notification of the temporary closure of its children's waiting room in response to the COVID-19 pandemic that began in March 2020.

The Court was operating one Children's Waiting Room at the Hall of Justice in Fairfield. The Court is looking at options to allow for re-opening of the Children's Waiting Room as soon as public health orders and conditions permit.

The Court requests the continuation of the filing fee distribution to ensure re-opening of the Children's Waiting Room when permitted to do so.

We appreciate consideration of this request.

Sincerely,

A handwritten signature in blue ink that reads "Brian Taylor".
