### Executive Summary

The Rules Committee establishes and maintains the Judicial Council rule-making process and assists the council in making informed decisions about rules of court, forms, standards of judicial administration, and jury instructions. The committee last reported its activity at the May 15 Judicial Council meeting. The Rules Committee has not met since then.

### Upcoming Committee Meeting

The Rules Committee will meet by telephone on August 20, 2020, to consider 30 rules and forms proposals that circulated for public comment in the spring cycle. The proposals were developed by nine advisory committees.

Following the Rules Committee meeting, the proposals are expected to come before the council at the September 25 business meeting.
