Executive Summary

Under Government Code section 69958, the Judicial Council is required to report to the Legislature semiannually on the purchase and lease of any electronic recording equipment that will be used to record superior court proceedings. For the reporting period of January 1 through June 30, 2024, six courts reported a combined total of \$1,184,376 for the purchase of electronic recording equipment or related items. On or before December 31, 2024, the Judicial Council's Executive Office staff submitted *Report of Electronic Recording Equipment Purchased or Leased by Superior Courts (January 1 through June 30, 2024)* to the Legislature.

Relevant Previous Reporting or Action

This report is submitted to the Legislature semiannually. Reports from previous fiscal years are available on the "Reports to the Legislature" webpage of the California Courts website at www.courts.ca.gov/7466.htm.

Analysis/Rationale

Government Code section 69957(a) allows the purchase and/or lease of electronic recording equipment for limited civil, misdemeanor, and infraction cases. Additionally, Government Code section 69957(b) allows the trial courts to use electronic recording equipment for the purpose of monitoring the performance of subordinate judicial officers, hearing officers, and temporary

judges. Government Code section 69957(c) requires the courts to obtain advance approval from the Judicial Council before purchasing or leasing any such equipment. Approval is subject to the equipment being used in the manner and for the purposes authorized under this section.

Government Code section 69958 requires that each superior court report to the Judicial Council the purchase and lease of all electronic recording equipment that will be used to record court proceedings, specifying all of the following:

- The superior court in which the equipment will be used;
- The types of trial court proceedings in which the equipment will be used;
- The cost of purchasing, leasing, or upgrading the equipment; and
- The type of equipment purchased or leased.

For the reporting period of January 1 through June 30, 2024, six superior courts reported a combined total of \$1,184,376 for the purchase of electronic recording equipment or related items (see Attachment A):

- Contra Costa—\$555,143 (misdemeanor and limited civil case types)
- Imperial—\$20,195 (misdemeanor case types)
- Los Angeles—\$213,398 (limited civil case types)
- Riverside—\$28,455 (limited civil case types)
- Sacramento—\$362,941 (limited civil and misdemeanor case types)
- Stanislaus—\$4,244 (misdemeanor case types)

Fiscal Impact and Policy Implications

The requirements of this report do not result in any additional costs or operational impacts.
