### Executive Summary

As outlined in California Rules of Court, rule 10.11, the Executive and Planning Committee oversees the Judicial Council's meeting process and operating procedures, including agenda setting for council meetings, development of the long-range strategic plan for the judicial branch, and development of policies and procedures related to court facilities and communications with the branch. The committee is also charged with oversight of specific advisory bodies and directing the nominations process for vacancies on the council, its advisory bodies, and education committees. This report summarizes the committee's activities since the last Judicial Council internal committee written report, which was submitted for the council's business meeting on December 12, 2025.

### Overview of Committee Meeting

Since the last council meeting, the committee held one open meeting and one action by email.

During its January 14 videoconference and its January 30 action by email, the committee set the agenda for the council's business meeting on February 20.
