## **Executive Summary**

Judicial Council staff recommend amending standard 4.30 of the California Standards of Judicial Administration to refer to a renumbered form, and revising four criminal forms to incorporate changes resulting from legislation. The changes are technical, minor, and noncontroversial. Judicial Council staff recommend making the necessary corrections to conform to statutes and rules and avoid causing confusion for court users, clerks, and judicial officers.

#### Recommendation

Judicial Council staff recommend that the Judicial Council, effective January 1, 2023:

1. Amend standard 4.30 of the California Standards of Judicial Administration to replace references to the *Juror Questionnaire for Criminal Cases* from form MC-002 to form JURY-002, to reflect the renumbering of the form effective September 1, 2018;

- 2. Revise *Order for Victim Restitution* (form CR-110/JV-790) to delete a reference to administrative fees pursuant to former Penal Code section 1203.1(*l*), which was repealed by Assembly Bill 177 (Stats. 2021, ch. 257), and add mental health counseling fees as a restitution category pursuant to Penal Code section 1202.4(f)(3)(C);
- 3. Revise *Instructions: Order for Victim Restitution* (form CR-112/JV-792) to reflect proposed changes to *Order for Victim Restitution* (form CR-110/JV-790); and
- 4. Revise Felony Abstract of Judgment—Determinate (form CR-290) and Abstract of Judgment—Prison Commitment—Indeterminate (form CR-292) to replace references to resentencing under former Penal Code section 1170(d) with Penal Code section 1172.1, to reflect changes made by Assembly Bill 200 (Stats. 2022, ch. 58).

The proposed amended standard and revised forms are attached at pages 4–12.

#### **Relevant Previous Council Action**

Although the Judicial Council has acted on the other forms previously, this proposal recommends only minor corrections unrelated to any prior action.

## Analysis/Rationale

The changes to these forms are technical in nature and necessary to conform to statutory changes and correct references.

### **Policy implications**

This proposal promotes accuracy and consistency with statutes and forms.

#### **Comments**

This proposal was not circulated for public comment because the recommended changes are corrections, technical revisions, and minor modifications that are unlikely to create controversy, and are therefore within the Judicial Council's purview to adopt without circulation. (See Cal. Rules of Court, rule 10.22(d)(2).)

#### Alternatives considered

Revising the forms later, alongside more substantive revisions, was considered. However, revising the forms at this time appears to be the better option, to avoid courts and court users continuing to rely on inaccurate forms for an unforeseen amount of time.

## Fiscal and Operational Impacts

Operational impacts are expected to be minor. The proposed revisions may result in reproduction costs if courts provide hard copies of any of the forms recommended for revision. Because the proposed changes are minor or technical corrections, case management systems are unlikely to need updating to implement them.

Standard 4.30 of the California Standards of Judicial Administration is amended, effective January 1, 2023, to read:

## Standard 4.30. Examination of prospective jurors in criminal cases

**(a)** \*\*;

## (b) Examination of jurors

The trial judge's examination of prospective jurors in criminal cases should include the areas of inquiry listed below and any other matters affecting their qualifications to serve as jurors in the case. The trial judge may want to use the *Juror Questionnaire for Criminal Cases* (form <u>JURYMC</u>-002) to assist in the examination of prospective jurors. Form <u>JURYMC</u>-002 is an optional form and is not intended to constitute the complete examination of prospective jurors. Form <u>JURYMC</u>-002 is a tool for trial judges to use to make the initial examination of prospective jurors more efficient. If the court chooses to use form <u>JURYMC</u>-002, its use and any supplemental questions submitted by counsel must be discussed at the pre–voir dire conference required by rule 4.200. Excusing jurors based on questionnaire answers alone is generally not advisable.

Parents or guardians jointly and severally liable (name each). d. Co-offenders found jointly and severally liable (name each) Evidence was presented that the victim named below suffered losses as a result of defendant's/child's conduct. Defendant/chilk was informed of his or her right to a judicial determination of the amount of restitution and THE COURT ORDERS defendant/child to pay restitution to a. \_\_\_\_ the victim (name): \_\_\_\_ in the amount ot, a b. \_\_\_\_ the Compensation Board, to reimburse payments to the victim from the Restitution Fund, in the amount of: \$ c. plus interest at 10 percent per year from the date of loss or sentencing d. plus attorney fees and collection costs in the sum of:\$ ORDER FOR VICTIM RESTITUTION

#### I. Order for Restitution

- a. If the person was convicted in criminal court, write in the date of the defendant's conviction and the defendant's name.
- b. In cases where a child has been found to be a person described in Welfare and Institutions Code section 602, check item b and fill in the date of the hearing and the child's name.
- c. If the parents or guardians are jointly and severally liable, write the names in the space provided.
- d. If co-offenders were found jointly and severally liable, write the names in the space provided.

This section must be completed by either you or the court. A separate order and abstract of judgment should be completed for each defendant or child ward found guilty of an offense.

#### J. Judicial Determination of Restitution

The defendant or child has a right to a restitution hearing. The hearing can be waived if the defendant or child agrees to give up his or her right to have a hearing. The amount of restitution may also be stipulated if the amount of restitution to be ordered is agreed to by all parties and the judge makes an order for the amount based on an agreement by all parties. It is very important to check the appropriate boxes to indicate whether the defendant or child has had a hearing or has waived the hearing. If you do not have all of the relevant information to complete this section, then the court should complete it for you.

### K. Restitution Ordered to Pay

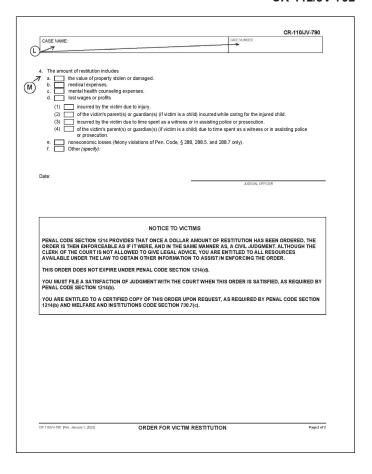

- a. If the court ordered the offender to pay you, write your name as the victim and the amount of restitution ordered by the court. Make sure the amount of restitution is not left blank or "to be determined." A dollar amount must be listed for the order to be enforceable.
- b. Check this box if the court ordered the California Victim Compensation Board to receive reimbursement for funds previously paid to you or your service provider by the Restitution Fund. Make sure the amount of reimbursement is not left blank or "to be determined." A dollar amount must be listed for the order to be enforceable.

#### L. Case Name and Number

Use the case name and case number that you wrote on the front of the form.

#### M. Amount of Restitution

Check the applicable boxes a through e that specify why the restitution was ordered. Example: If the court ordered that you collect medical expenses and lost wages, check boxes 4b and 4d. If the amount of restitution includes something that is not listed, check box 4f and briefly specify what additional costs are covered.

Order for Victim Restitution (form CR-110/JV-790) is the court order or judgment directing the offender to repay you for any losses that you suffered because of the offense. Once this judgment is entered in the court records, you may use it to collect the money you are owed from the offender. If the court does not give you a certified copy of the order, ask the clerk for one and check to make sure the judgment is entered. If the offender does not pay you, you have several options, including getting the offender to pay you voluntarily, getting more information about the offender, and collecting from the offender's property. If you choose to try to collect from the value of real estate owned by the offender, you will need to record an abstract of the judgment with the county recorder in the county where the property is located. For more information about this process, see Abstract of Judgment—Restitution (form CR-111/JV-791) and Instructions: Abstract of Judgment—Restitution (form CR-113/JV-793). For more information about this and other options for collecting your restitution judgment, see the California Courts Online Self-Help Center at <a href="https://www.courts.ca.gov/1014.htm">www.courts.ca.gov/1014.htm</a>.
