### **Executive Summary**

Pursuant to Government Code section 77202.5(a), the Judicial Council is required to submit a report on allocations and reimbursements to the trial courts to the Senate Committee on Budget and Fiscal Review and Judiciary, and the Assembly Committee on Budget and Judiciary, by September 30 of each year. On September 27, 2022, the Judicial Council's Budget Services staff submitted the 2021–22 Allocations and Reimbursements to the Trial Courts report.

### **Relevant Previous Council Action**

This report is submitted to the Legislature annually. Reports from previous fiscal years are available on the California Courts website "Legislative Reports" webpage at <a href="https://www.courts.ca.gov/7466.htm">www.courts.ca.gov/7466.htm</a>.

### Analysis/Rationale

The allocations and reimbursements from state funds include (1) fiscal year 2021–22 base allocations for court operations; (2) reimbursements for specific trial court expenditures including, but not limited to, jury, self-help center, court interpreter, and court-appointed dependency counsel costs; (3) fee revenue amounts that are distributed directly back to the reporting courts as authorized in statute or by the Judicial Council; and (4) funding awarded to

individual trial courts from statewide programs, including state and federal grants. Funding in the amount of \$2.9 billion was provided from the following funds (Attachment A):

- Trial Court Trust Fund (\$2.5 billion);
- State Court Facilities Construction Fund (\$50.0 million);
- State Trial Court Improvement and Modernization Fund (\$9.7 million);
- General Fund (\$284.5 million); and
- Federal Trust Fund (\$1.5 million).

The report also includes a statement of the intended purpose for which each allocation or reimbursement was made (Attachment B) and the policy governing trial court reserves, which are authorized pursuant to Government Code section 77203 (Link A).

### **Fiscal Impact and Policy Implications**
