Judicial Council Support of Branchwide Technology Initiatives

Mr. Mark Dusman

Strategic Plan and Tactical Plan: Technology Goals (2014-2018)

- Improve access, administer timely, efficient justice, gain case processing efficiencies and improve public safety through electronic services for public interaction and collaboration with justice partners. E.g. CMS, DMS, e-filing, online services.

Promote
the Digital
Court

- Encourage technology innovation, collaborative court initiatives, and professional development, to maximize the value of personnel resources, technology assets, and leveraged procurement. E.g. technical communities, contracts.

Optimize
Branch
Resources

- Leverage and support a reliable secure technology infrastructure. Ensure continual investment in existing infrastructure and exploration of consolidated and shared computing where appropriate. E.g. network, disaster recovery.

Optimize
Infrastruc-
ture

- Drive modernization of statutes, rules and procedures to facilitate use of technology in court operations and delivery of court services. E.g. e-filing, privacy, digital signatures.

Promote
Rule and
Legislative
Changes
