### Executive Summary

The Executive and Planning Committee recommends amending rule 10.50 of the California Rules of Court to conform to a recent change in procedures for filling vacancies on education curriculum committees, which shifted responsibility for making appointments from the Center for Judicial Education and Research (CJER) Advisory Committee to the Chief Justice under the procedures in rule 10.32.

### Recommendation

The Executive and Planning Committee recommends that the Judicial Council, effective May 21, 2021:

1. Amend rule 10.50(c)(6) of the California Rules of Court to change the additional duties of the committee from “appoint” to “recommend appointment of” education curriculum committees; and

2. Amend rule 10.50(e) to add vacancies for the education curriculum committees to the advisory bodies that are appointed under the procedures provided in rule 10.32.

The amended rule is attached at page 3.

### **Relevant Previous Council Action**

In January 1, 2019, rule 10.50 was amended to change the name of the Governing Committee of the Center for Judicial Education and Research to the CJER Advisory Committee to align the name with the names of the other Judicial Council standing advisory committees.

### **Analysis/Rationale**

The Executive and Planning Committee recommends that rule 10.50 be amended to conform to the recent change to fill vacancies on the education curriculum committees under the procedures in rule 10.32. This change makes the procedures for filling vacancies on the education curriculum committees consistent with the way vacancies on other advisory bodies are filled.

### **Policy implications**

None.

### **Comments**

This proposal was not circulated for comment. It presents a minor substantive change that is unlikely to create controversy, which, under rule 10.22(d)(2), the Rules Committee may recommend that the council adopt without circulation. The proposal merely conforms the rule to a change in procedures that elicited no objection when it was introduced. There would therefore be no benefit to circulating the proposed amendment for comment.

### **Alternatives considered**

None.

### **Fiscal and Operational Impacts**

There are no fiscal or operational impacts resulting from this proposal.
