Executive Summary

The Sargent Shriver Civil Counsel Act Implementation Committee recommends that the Judicial Council accept the report to the Legislature on the Sargent Shriver Civil Counsel Act. The report is due to the Legislature on January 31, 2016. To expedite the council's review and submission of the report to the Legislature, voting is being conducted via circulating order memorandum.

Recommendation

The Sargent Shriver Civil Counsel Act Implementation Committee recommends that the Judicial Council:

1. Approve for submission the *Report to the Legislature on the Sargent Shriver Civil Counsel Act* by January 31, 2016, as required by Government Code section 68085.1(c).
2. Direct Judicial Council staff to transmit the report to the Legislature.

The proposed report to the Legislature is attached to this memorandum.

Previous Council Action

On April 29, 2011, the Judicial Council approved Sargent Shriver Civil Counsel Act grants in an amount not to exceed \$9.5 million for distribution to seven legal services agencies and superior courts for pilot projects to provide legal representation and improved court services to eligible low-income litigants. On August 21, 2014, the Judicial Council renewed those grants to six legal services agencies and their superior court partners.

Rationale for Recommendation

The Sargent Shriver Civil Counsel Act (AB 590) provides that, commencing in fiscal year (FY) 2011–2012, pilot projects selected by the Judicial Council are to be funded to provide legal representation and improved court services to low-income parties on critical legal issues affecting basic human needs such as housing, child custody disputes, domestic violence, or the need for a guardianship or conservatorship. The pilot projects are to be operated by legal services nonprofit corporations, working in collaboration with their local superior courts. Partner courts are also provided funding to enable them to provide innovative court services designed to ensure that unrepresented parties obtain meaningful access to justice and to guard against the involuntary waiver or other loss of rights. The legislation requires an evaluation of the pilot projects by January 31, 2016.ⁱ

This report documents the implementation of the Shriver Civil Counsel Act, describes what has been learned so far, and explains the steps taken to develop proposals, select grant recipients, launch pilot projects across the state, implement innovative court practices, and design and implement a comprehensive evaluation system. This report is based on evaluation data collected to date. More detail about the services rendered, client demographics, case results, findings, and recommendations will be contained in the comprehensive professional evaluation report to be released later in 2016.

Preliminary evaluation results are encouraging. To date, the pilot projects have provided invaluable legal representation to over 20,000 low-income Californians. The services are focused on helping vulnerable parties facing critical legal problems when there is an attorney representing the other party.

Early evidence suggests that Shriver services are improving the administration of justice and balancing the playing field by offering legal representation in key cases, and preventing the loss of important legal rights. Shriver attorneys appear to also be helping clients have realistic expectations for their cases. Clients are more likely to perceive that the results of their cases were fair—even if the outcomes were not what the client desired—because they had had the opportunity to have their perspective heard.

Preliminary analysis of court data suggests that, compared to cases without Shriver representation, Shriver housing cases may involve more dismissals, more settlements, and fewer trials, and Shriver probate cases may involve fewer continuances, fewer hearings, and fewer unsuccessful filing attempts. Stakeholders perceive similar impacts for custody cases, and court data are being inspected to substantiate these impressions.

Comments, Alternatives Considered, and Policy Implications

The report to the Legislature has been considered by the Sargent Shriver Civil Counsel Act Implementation Committee, which was appointed by the Chief Justice as provided by Government Code section 68651(b)(5). The statutory scheme does not contemplate public comment.

The council may wish to wait to submit a more detailed report to the Legislature but due to the extensive nature of that evaluation, it will not be completed before the statutory deadline of January 31, 2016.

Implementation Requirements, Costs, and Operational Impacts

Judicial Council staff will administer the Sargent Shriver Civil Counsel Act pilot project funding, including overseeing completion of the detailed evaluation of the project. Staff will provide oversight and technical assistance for the selected pilot projects to ensure that funding is spent for the purposes intended by the legislation. Staff will also provide support to the Sargent Shriver Civil Counsel Act Implementation Committee. Costs for Judicial Council staff support and the evaluation will be covered by the provision for administrative costs in the budget act appropriation.

Relevant Strategic Plan Goals and Operational Plan Objectives

This recommendation helps implement Goal I—Access, Fairness, and Diversity—of the Judicial Council’s strategic plan by increasing representation and court services for low-income persons.

The Judicial Council has submitted a report to the Legislature in accordance with Government Code 68651(c).

The following summary of the report is provided under the requirements of Government Code section 9795.

The Sargent Shriver Civil Counsel Act (AB 590) provided that, commencing in fiscal year (FY) 2011–2012, pilot projects selected by the Judicial Council were to be funded to provide legal representation and improved court services to low-income parties on critical legal issues affecting basic human needs such as housing, child custody disputes, domestic violence, or the need for a guardianship or conservatorship.
