### Title

## Access and Fairness | Racial Justice Toolkit for Judicial Officers and Court Staff (No Action Required)

### Summary

The Advisory Committee on Providing Access and Fairness, led by its Ad Hoc Racial Justice Working Group, conceived of and created a new online resource for courts entitled *The Racial Justice Toolkit*. The toolkit is a compilation of resources for bench officers, trial court leadership, and court staff to find guidance, as a launching point, to incorporate racial diversity, equity, and inclusion into their court operations; train and educate staff; develop and sustain a diverse workforce; build effective community partnerships; and increase public trust. The toolkit will be updated continuously as new information, data, and resources become available over time.

### Speakers

Hon. Elizabeth G. Macias, Member, Advisory Committee on Providing Access and Fairness
