Title

Report to the Legislature: State Trial Court Electronic Filing and Document Service Accessibility Compliance

Summary

Assembly Bill 103 (Stats. 2017, ch. 17), the public safety bill approved by the Governor on June 27, 2017, amended Code of Civil Procedure section 1010.6(g), which requires that any system for the electronic filing and service of documents used by a California trial court must be accessible to individuals with disabilities as provided in the statute. The amendment also requires the council to submit four reports between June 2018 and December 2023 to the appropriate committees of the Legislature relating to the trial courts that have implemented a system of electronic filing and service of documents. This June 2018 report is the first of the four submissions.
