Title
Judicial Branch Semiannual Contract Reporting Requirement: Executed Contracts and Vendor Payments for the Period of January 1 through June 30, 2017

Summary

Public Contract Code section 19209 and the Judicial Branch Contracting Manual require that the Judicial Council submit a report semiannually to the Joint Legislative Budget Committee and the State Auditor listing (1) all vendors or contractors receiving payments from any judicial branch entity and their associated distinct contracts, and (2) for every vendor or contractor receiving more than one payment, the amount of the payment, type of good or service provided, and judicial branch entity receiving the good or service. Therefore, the Judicial Council staff submitted this 12th semiannual report on August 1, 2017, which listed all judicial branch entity contracts that were amended during the reporting period covering January 1 through June 30, 2017.
