Title

Trial Court Budget: Minimum Operating and Emergency Fund Balance Policy (Action Required)

Summary

The Judicial Council's suspension of the minimum operating and emergency fund balance policy expired as of July 1, 2016. The minimum operating and emergency fund balance policy, established by the Judicial Council in October 2006 and revised in April 2009, requires trial courts to set aside a percentage of funds for use in emergency situations or when revenue shortages or budgetary imbalances may exist, based on a percentage of the court's prior year's ending total unrestricted general fund expenditures. This policy has been suspended by the Judicial Council since August 31, 2012, due to changes in statute. The Trial Court Budget Advisory Committee recommends that the Judicial Council approve an extension to the suspension of the minimum operating and emergency fund balance policy.

Recommendation

The Trial Court Budget Advisory Committee unanimously recommends that the Judicial Council extend the suspension of the minimum operating and emergency fund balance policy for two fiscal years until June 30, 2018--or earlier if Government Code section 77203 is repealed or amended--while in the interim the council continues to seek the repeal of Government Code section 77203.
