Title

Allocations and Reimbursements to Trial Courts | Model Self-Help Pilot Program (Action Required)

Summary

The Model Self-Help Pilot Program has been operating in four trial courts since 2002. A fifth court operating a technological solutions project decided not to continue its participation during the 2019-20 program year. The Trial Court Budget Advisory Committee recommended and the Judicial Council approved allowing all courts to apply for funds to expand their use of technology in providing self-help assistance as part of a consolidated technology funding application process. This allows a wider group of courts to expand services using technology. This report makes recommendations for funding for 2022-23.

Recommendation

The Trial Court Budget Advisory Committee recommends that the Judicial Council, effective December 2, 2022, approve the proposed one-time funding allocations for the 2022-23 Model Self-Help Program--Technology as set forth in Table 2.
