Summary

The Information Technology Advisory Committee recommends adopting proposed minimum technology standards to satisfy the statutory requirements of Senate Bill 133 (Stats. 2023, ch. 34). The statute requires the Judicial Council to adopt by April 1, 2024, and the trial courts to implement by July 1, 2024, minimum standards for courtroom technology necessary to permit remote participation in court proceedings.

Recommendation

The Information Technology Advisory Committee recommends that the Judicial Council, effective April 1, 2024, adopt the proposed minimum technology standards for courtroom technology necessary to enable participants to participate remotely in court proceedings.
