### Title

#### Report to the Legislature | Trial Court Operational Metrics, Year One Report (No Action Required)

#### Summary

The Budget Act of 2022 (Stats. 2022, ch. 43) requires that the Judicial Council annually report to the Legislature on the operations of each trial court and include various specified operational and budgetary metrics. The Data Analytics Advisory Committee determined that the judicial branch should report on a set of metrics that draws on existing data sources for the year one report, which is due February 1, 2023. Over the coming year, the Data Analytics Advisory Committee will consider whether additional metrics would be informative for future reports.
