Title
Court Facilities | Capital Program Management Policy (Action Required)

Summary

The Court Facilities Advisory Committee recommends adoption of the *Capital Program Management Policy*. This policy updates and replaces the Judicial Council’s current policy for its capital outlay program, which is the *Judicial Branch Capital Program Management Manual*. This policy guides the planning, acquisition, and construction of appellate and trial court facilities, so that all projects can be managed with a common strategy and approach and common systems and processes.

Recommendation

The Court Facilities Advisory Committee recommends that the Judicial Council, effective December 2, 2022, adopt the *Capital Program Management Policy*.
