Title

Allocations and Reimbursements to Trial Courts | Funding for Increased Transcript Rates (Action Required)

Summary

Senate Bill 170 (Stats. 2021, ch. 240), which amended the Budget Act of 2021, included \$7 million ongoing General Fund for the Judicial Council to establish a methodology to allocate the funding to all trial courts to cover the costs associated with increased transcript rates. The Trial Court Budget Advisory Committee recommends approving a proportional allocation based on the current council-approved methodology of the ongoing \$7 million to all trial courts to cover the costs associated with increased transcript rates for fiscal year 2023-24.

Recommendation

The Trial Court Budget Advisory Committee recommends that the Judicial Council, effective November 17, approve the \$7 million allocation to each trial court.
