Title

Judicial Branch Education: Final Report of the 2014-2016 Education Plan

Summary

The Governing Committee of the Center for Judicial Education and Research (CJER) has completed the final report on its 2014-2016 Education Plan for the judicial branch. The education plan, which was developed by the CJER Governing Committee for all the judicial branch audiences that CJER serves, contains training and education programs and products that enable those audiences to fulfill the education requirements and expectations outlined in rules 10.451-10.491 of the California Rules of Court. This final report provides an overview of the education plan's execution and the extent to which it met the educational objectives established by the CJER Governing Committee.
