Title

Report to the Legislature | Contracts for the Trial Courts for the Fiscal Year Ended June 30, 2023

Summary

Section 19209 of the Public Contract Code and the *Judicial Branch Contracting Manual* require that the Judicial Council submit a report annually to the Joint Legislative Budget Committee and the State Auditor to provide information related to contracts and payments from the trial courts to all vendors and contractors. The report includes a list of vendors and contractors as required by section 19209(b) and identifies the amounts of payments to the contractors and vendors, the types of services and goods provided, and the trial courts with which the contractors and vendors contracted to provide those goods and services. The report summary also includes a list of all amended contracts as required by section 19209(c), including any changes to the contract value, types of services or goods, or contract. For the latest reporting period, the Judicial Council reports 25,321 payments representing \$611.02 million for trial courts. As mandated, Judicial Council staff submitted this report by September 30, 2023.
