Title

Judicial Council Administration | Judicial Council Conflict of Interest Code (Action Required)

Summary

Judicial Council staff recommends amending *Conflict of Interest Code for the Judicial Council of California* to add Construction Inspector to the list of job classifications requiring disclosure of economic interests. The conflict of interest code does not accurately reflect the current structure of the Judicial Council, and leaving the code in its current form places the council at risk of noncompliance with Government Code section 87306. Under Government Code section 82011(h), the Judicial Council is the body that must review and approve proposed amendments to the agency's conflict of interest code.

Recommendation

Judicial Council staff recommends that the Judicial Council, effective December 1, 2021, amend *Conflict of Interest Code for the Judicial Council of California* to:

1. Add the job classification of Construction Inspector with a disclosure requirement of category 7; and
2. Change the effective date of the code to December 1, 2021, and make other, minor copyediting corrections.
