Title

Judicial Branch Administration | Tactical Plan for Technology 2021-2022 (Action Required)

Summary

The Tactical Plan Update Workstream and the Information Technology Advisory Committee recommend adopting the updated *Tactical Plan for Technology 2021-2022*. The updated plan was developed by reviewing the *Strategic Plan for Technology 2019-2022* to ensure alignment with branchwide goals, evaluating the status of existing initiatives, and considering new proposed initiatives. Building on the technology strategic plan, the tactical plan describes the focused efforts on technology solutions that further the administration of justice and meet the needs of the people of California.

Recommendation

The Technology Committee and the Information Technology Advisory Committee recommend that the Judicial Council adopt the *Tactical Plan for Technology 2021-2022* to supersede the 2019-2020 plan. This is the third update of the judicial branch tactical plan for technology since it was established within the *Technology Governance and Funding Model*, effective October 2014.
