Title

Judicial Branch Administration | Court Innovations Grant Program Award (Action Required)

Summary

After consistent monitoring of the Court Innovations Grant Program contingency fund balance and its component funding categories and discussion of alternatives to maximize the grant allocation, the Judicial Branch Budget Committee recommends awarding a grant totaling \$108,000 to the Superior Court of Solano County for its Drug Court Case Management e-database project from the collaborative courts funding category. This grant will fund the testing of new approaches for expanding innovative and efficient services.

Recommendation

The Judicial Branch Budget Committee (JBBC) recommends that the Judicial Council, effective July 22, 2019:

1. Approve an award of \$108,000 to the Superior Court of Solano County for the Drug Court Case Management e-database project from the Court Innovations Grant Program under the collaborative court programs funding category; and
2. Authorize staff to send the Notice of Intent to Award to the Superior Court of Solano County and to work with the court to negotiate and execute an intra-branch agreement by August 1, 2019.
