### **Title**

### **Judicial Branch Technology | IT Modernization Funding, Fiscal Year 2023-24 (Action Required)**

#### **Summary**

The Budget Act of 2022 appropriated funding for judicial branch technology modernization. The Judicial Council has directed the Technology Committee to recommend funding allocations and provide regular updates on approved allocations. The Technology Committee recommends allocating approximately \$12.5 million to trial and appellate courts for fiscal year (FY) 2023-24, as itemized in the attached summary. The recommended allocations would support projects that align with the judicial branch's technology goals, while allowing individual courts to expand their use of technology to best meet their particular business needs.

#### **Recommendation**

The Technology Committee recommends that the Judicial Council, effective July 24, 2023, allocate approximately \$12.5 million to trial and appellate courts in FY 2023-24 for judicial branch technology modernization.

#### **Speakers**

Hon. Kyle S. Brodie, Chair, Technology Committee

Ms. Heather Pettit, Information Technology
