Title

Judicial Branch Administration | Tactical Plan for Technology 2023-2024 (Action Required)

Summary

The Technology Committee and the Information Technology Advisory Committee recommend adopting the updated *Tactical Plan for Technology 2023-2024*. The updated plan, prepared by the Tactical Plan Update Workstream, was developed by reviewing the *Strategic Plan for Technology* to ensure alignment with branchwide goals, evaluating the status of existing initiatives, and considering new initiatives. Guided by the technology strategic plan, the tactical plan describes the focused efforts on technology solutions that further the administration of justice and meet the needs of the people of California.

Recommendation

The Technology Committee and the Information Technology Advisory Committee recommend that the Judicial Council, effective July 24, 2023, adopt the *Tactical Plan for Technology 2023-2024* to supersede the 2021-2022 plan. This is the fourth update of the judicial branch tactical plan for technology since it was established within the *Technology Governance and Funding Model*, effective October 2014.
