Title

Report to the Legislature | Pretrial Pilot Program (Action Required)

Summary

The Budget Act of 2019 earmarked \$75 million to the Judicial Council to launch and evaluate two-year pretrial projects in local trial courts. As directed by the Legislature, the projects aim to increase the safe and efficient release of arrestees before trial, use the least restrictive monitoring practices possible while protecting public safety and ensuring court appearances, validate and expand the use of risk assessment tools, and assess any bias. Criminal Justice Services staff recommend that the Judicial Council receive *Pretrial Pilot Program: Report to the Legislature* and direct the Administrative Director to submit this report to the Joint Legislative Budget Committee and the Department of Finance. The Budget Act of 2019 mandates that this report be submitted periodically through 2022. This is the fifth legislative report on the program and documents the activities of pilot courts and Judicial Council administration of the program carried out between July 2021 and July 2022. It also presents select data on pretrial risk assessments conducted on individuals in all pilot projects since the start of the program. While the number of participants has increased, the results of the evaluation are consistent with the results included in the report submitted to the Legislature in July 2021.

Recommendation

Criminal Justice Services staff recommend that the Judicial Council, effective July 14, 2022:

1. Receive *Pretrial Pilot Program: Report to the Legislature* (July 2022); and
2. Direct the Administrative Director to submit this report to the Joint Legislative Budget Committee and the Department of Finance.
