Title

Court Facilities | Reassessment of Trial Court Capital-Outlay Projects (Action Required)

Summary

In June 2018, the Legislature attached specific trailer bill language (section 8 of Sen. Bill 847) to the 2018 Budget Act, which required that the Judicial Council conduct a reassessment of all trial court capital-outlay projects that had not been fully funded up to and through the 2018 Budget Act (FY 2018-19). This reassessment is due by December 31, 2019, to two legislative committees. To complete this reassessment, the Court Facilities Advisory Committee recommends the Judicial Council update its current prioritization methodology, which was last revised in 2008, by adopting the *Revision of Prioritization Methodology for Trial Court Capital-Outlay Projects* and resultant *Statewide List of Trial Court Capital Projects* prioritized on needs-based/cost-based scores.

Recommendation

The Court Facilities Advisory Committee recommends that the Judicial Council, effective November 14, 2019, take the following actions:

1. Adopt the *Revision of Prioritization Methodology for Trial Court Capital-Outlay Projects* (see Attachment A).
2. Adopt the Statewide List of Trial Court Capital Projects (see Attachment B).
3. Delegate to the Administrative Director the authority to make technical changes to the reports for submission to the Legislature, subject to the review and approval of the CFAC chair and vice-chair.
