Title

Court Security: Report on Trial Court Screening Equipment Replacement for Fiscal Year 2014-2015

Summary

The Screening Equipment Replacement Program has been in operation since fiscal year 2006-2007 and provides \$2.286 million in funding from the Trial Court Trust Fund to replace outdated or malfunctioning screening equipment in the trial courts. Each year the Administrative Director approves the list of entrance screening equipment to be funded that year through this program. This report updates the council on the entrance screening equipment that was replaced in fiscal year 2014-2015 using that funding.
