Title

Court Security: Report on Trial Court Screening Equipment Replacement for Fiscal Year 2016-2017

Summary

Each year, the Administrative Director approves the list of entrance screening equipment to be funded that year through the Screening Equipment Replacement Program, which provides funding from the Trial Court Trust Fund to replace outdated or malfunctioning screening equipment in the trial courts. This report updates the council on the equipment that was replaced in fiscal year 2016-2017 using that funding.
