### Title

#### Court Facilities: Revised Trial Court Facility Modifications Policy (Action Required)

### Summary

The Judicial Council's policy on trial court facility modifications presents the methodology and processes for identifying and prioritizing facility modifications that improve trial court facilities statewide. More than six years of implementation since the July 2012 update has necessitated updating the current policy. This update improves the policy's overall clarity and readability for application to current business practices, particularly in defining, scoring, and prioritizing facility modifications. The Trial Court Facility Modification Advisory Committee recommends the Judicial Council adopt the revised *Trial Court Facility Modifications Policy*.

### Recommendation

The Trial Court Facility Modification Advisory Committee recommends that the Judicial Council, effective March 15, 2019, adopt the revised Trial Court Facility Modifications Policy (see Attachment A).
