Title
Report to the Legislature | Electronic Recording Equipment

Summary

Government Code section 69958 requires the Judicial Council to report to the Legislature semiannually on all purchases and leases of electronic recording equipment that will be used to record superior court proceedings. During the January 1 through June 30, 2019, reporting period, the Superior Court of Mendocino County spent \$10,651 to purchase For the Record (FTR) Gold software and Microsoft Surface Pro tablets. These purchases were approved by Judicial Council staff on March 11, 2019 and will help facilitate the court’s official record keeping in small claims, misdemeanor, and limited civil cases.
