Title
Sargent Shriver Civil Counsel Act | Selection of Pilot Projects (Action Required)

Summary

The Sargent Shriver Civil Counsel Act (Assem. Bill 590; Stats. 2009, ch. 457) provided that, commencing in fiscal year 2011-12, one or more pilot projects selected by the Judicial Council are to be funded to provide legal representation and improved court services to low-income parties on critical legal issues affecting basic human needs. These grants are awarded every three years and recommendations are to be made to the council by the Shriver Civil Counsel Act Implementation Committee.

Recommendation

The Shriver Civil Counsel Act Implementation Committee recommends that the Judicial Council, effective October 1, 2020, approve Sargent Shriver Civil Counsel Act grants in an amount not to exceed \$11,813,025 per year for the period beginning October 1, 2020, and ending September 30, 2023. It also recommends deferring two applications and one request for additional funding pending further information on projected revenue based on the uncertainty created by the COVID-19 pandemic. The committee will make further recommendations to the Judicial Council once there is more certainty regarding funding. The committee is making initial recommendations at this time to allow ongoing programs sufficient time to make informed decisions regarding staffing and services to clients, and for new programs to begin to make preparations.

The following partnerships between legal services agencies and superior courts are recommended for funding at the following annual level for three years to provide legal representation and improved court services to eligible low-income litigants:
