### Title

### Equal Access Fund | Distribution of Funds for Partnership Grants and IOLTA-Formula Grants (Action Required)

### Summary

The Budget Act of 2020 includes over \$23 million in the Equal Access Fund for general distribution to legal services providers and support centers. The funds are to be distributed primarily in two parts: IOLTA (Interest on Lawyers' Trust Accounts)-formula grants and partnership grants (with a small amount also distributed for administration). The Legal Services Trust Fund Commission of the State Bar recommends approving distribution of \$21,169,328 in IOLTA-formula grants for fiscal year (FY) 2020-21, according to the statutory formula in the state Budget Act, and \$2,423,410 in partnership grants for 2021. The commission further requests approval of its findings that the proposed budget for each individual grant complies with statutory and other relevant guidelines.

### Recommendation

The Legal Services Trust Fund Commission recommends that the Judicial Council, effective September 25, 2020, approve:

1. The distribution of \$21,169,328 in IOLTA-formula grants for FY 2020-21 according to the terms of the state Budget Act;
2. The commission's determination that the proposed budget of each individual grant complies with statutory and other guidelines; and
