Title
Civil Practice and Procedure | Corrected Writ of Execution Form

Summary

The Judicial Council, at the recommendation of the Civil and Small Claims Advisory Committee recently revised four enforcement of judgment forms and approved four new forms to implement the provisions of Senate Bill 616, which amended several laws regarding exemptions to enforcement of civil money judgments. The revised and new forms are effective September 1, 2020. One of the forms approved by the council-- *Writ of Execution* (form EJ-130)-included an inadvertent error, changing text in an item that should not have been changed. The Executive and Planning Committee approved, on behalf of the Judicial Council, correcting that item, so that the form would be correct when it became effective on September 1, 2020.
