Title

Report to the Legislature | *Annual Report on Contracts for the Trial Courts for the Fiscal Year Ended June 30, 2021*

Summary

Public Contract Code section 19209 and the *Judicial Branch Contracting Manual* require that the Judicial Council submit a report annually to the Joint Legislative Budget Committee and the State Auditor to provide information related to contracts and payments for the trial courts. The report includes a list of vendors and contractors as required by section 19209(b). The report further identifies the amounts of payments to the contractors and vendors, the types of services and goods provided, and the trial courts with which the contractors and vendors contracted to provide those goods and services. The report summary also includes a list of all amended contracts as required by section 19209(c), identifying the vendors, contractors, and types of services and goods provided under the contract, including any changes to the contract value, type of services or goods, or contract. Therefore, in compliance with this Public Contract Code mandate, Judicial Council staff submitted this report on September 30, 2021.
