Title

Judicial Council Budget | Adjustments to Judicial Council-Approved 2021-22 Allocations from the State Trial Court Improvement and Modernization Fund and Trial Court Trust Fund

Summary

The Judicial Council delegated limited authority to the Administrative Director to transfer funding allocations approved by the council from one program or project to another from specified funds to address unanticipated needs and contingencies. Any transfers made under the Administrative Director's delegated authority are reported to the Judicial Council after the end of the fiscal year in which they occur, including the dollar amount of each allocation adjustment and the rationale for such transfers. This report provides the details of the funding transfers that took place in 2021-22 from the State Trial Court Improvement and Modernization Fund and the Trial Court Trust Fund.
