### Title

## Judicial Branch Technology: Judicial Branch Statistical Information System (JBSIS) Dispute Resolution Process (Action Required)

### Summary

The Court Executives Advisory Committee (CEAC) recommends that the Judicial Council adopt the Judicial Branch Statistical Information System (JBSIS) Dispute Resolution Process. As lead staff to the JBSIS Subcommittee of CEAC, the Judicial Council's Office of Court Research is delegated the authority to make determinations on how courts should report data in JBSIS. Recognizing that there might be situations when courts do not agree with the determination made by council staff, the proposed *JBSIS Dispute Resolution Process* has been developed by CEAC to provide guidance and a consistent framework to resolve disagreements on reporting statistical data in JBSIS.

### Recommendation

CEAC recommends that the Judicial Council adopt the proposed *JBSIS Dispute Resolution Process* (see Attachment A). This process provides a framework for the courts and Judicial Council to resolve disagreements concerning reporting of statistical data in JBSIS. The policy would become effective the date of the council meeting: November 30, 2018.
