### **Title**

### **Judicial Branch Administration | Judicial Branch Statistical Information System Felony Case Aging Update (Action Required)**

#### **Summary**

The Court Executives Advisory Committee recommends that the Judicial Council approve the definition updates to the case aging sections of the Felony report in the Judicial Branch Statistical Information System (JBSIS). The case aging data in JBSIS is used in the *Court Statistics Report* (CSR), an annual publication released by the Judicial Council. The current definition in JBSIS does not include a data category that would make it possible to report to JBSIS on all cases that dispose in 12 months or fewer. This update would allow for clearer reporting to JBSIS regarding timeliness of felony case processing data to be included in the CSR.

#### **Recommendation**

The Court Executives Advisory Committee (CEAC) recommends that the Judicial Council adopt the definition updates to the reporting categories for the case aging section of the Felony report in the Judicial Branch Statistical Information System (JBSIS). If approved, the new definitions would become effective for data reported to JBSIS on or after July 1, 2022.
