Title

Judicial Branch Technology | Court Technology Modernization Funding Status, Fiscal Year 2020-21

Summary

The Budget Act of 2020 (Stats. 2020, ch. 7) appropriated \$25 million for the modernization of trial court operations. The Judicial Council asked the Technology Committee to make recommendations on the funding and to provide regular updates on the approved allocation of \$12.5 million directly to trial courts for use in one or more identified program categories, \$10 million for branchwide initiatives, and \$2.5 million to be held in reserve for program adjustments. This is a status update for fiscal year 2020-21.
