Title

Rules and Forms | Protective Orders: Technical Change to Domestic Violence Form (Action Required)

Summary

Judicial Council staff recommend revisions to one domestic violence restraining order form to correct a technical error and to make other minor corrections. The form's revisions will avoid confusion over the expiration date of the order.

Recommendation

Judicial Council staff recommend that the Judicial Council, effective April 28, 2025, revise *Restraining Order After Hearing (Order of Protection)* (form DV-130) to correct the second bullet point in item 4 to refer to item 6a instead of item 5a, to change "shall" to "must" on page 10, to update the format of several citations on pages 10 and 11, and to correct grammatical errors on page 11.
